BRINL

Inline Refrigerator Filter

Delivers long-lasting filtered water, right from your refrigerator or ice maker

- Easy do-it-yourself installation to 1/4 inch plastic or copper tubing
- Includes both 1/4 inch compression and push to connect fittings
- Fits all refrigerator brands & ice makers
- Great for refrigerator water dispensers, ice makers, campers/motorhomes, boats

REDUCES

FILTER LIFE** Up to 5 years
CAPACITY** 2,500 gal
SERVICE FLOW RATE 0.5 GPM (1.9 LPM)
PRESSURE RANGE 30-125 PSIG (2.1-8.8 kg/cm²)
TEMPERATURE RANGE 40-100°F (4.4-37.6°C)

*Up to 97.4%

**Filter life and capacity varies with local water conditions and volume of water used

System is to be supplied with only cold water. System and installation shall comply with applicable state and local regulations.

INSTALLATION INSTRUCTIONS

1. Turn off water supply.
2. Make sure the direction of water flow through the filter is correct.
3. Connect to 1/4 in outside diameter line. No tools required. Full engagement is 11/16" passed the collet. See diagram A above.
4. Turn on the water supply and check for leaks. The filter should be flushed for 10 minutes after installation. It is normal to see discoloration of the water (carbon fines) during initial flushing.

OPTIONAL INSTALLATION

If your plumbing has a compression nut on the tubing, replace step 3 above with steps:

- 3A Push the included metal brass adapter thru the filter collet at each end of the filter and all the way in until it stops. Full engagement is 11/16" passed the collet. See diagram B below.
- 3B Tighten each nut while using a second wrench to hold the corresponding fitting.

MAINTENANCE

Expected life of this filter is five years. Filter may need to be changed sooner due to sediment in your water source.

90 DAY WARRANTY

Warrantor guarantees to the original owner, that the Inline Water Filter when installed and maintained in accordance with the instructions, will be free from defects in materials and workmanship for a period of 90 days from the date of installation. During the 90 days if the product proves, after inspection, to be defective, Warrantor will replace the part without charge except installations charges. Labor and shipping costs to maintain the equipment are not part of the warranty.

TO OBTAIN WARRANTY PARTS, SIMPLY VISIT ecopurehome.com/brita. This warranty applies only while this product is in use in the United States. This warranty gives you specific legal rights, and you may also have other rights which vary from state to state.

BRINL filter is tested and certified by NSF International against NSF/ANSI Standard 42 and NSF/ANSI/CAN 372 for the reduction of claims specified on nsf.org

Do not use with water that is microbiologically unsafe or of unknown quality without adequate disinfection before or after the system.
